Purolite Establishes New Company and Offices in Mexico

BALA CYNWYD, PA – May 20, 2009 – Purolite is pleased to announce the opening of a new Purolite sales office in Mexico.

PUROLITE MÉXICO, SRL DE C.V. is responsible for sales, technical service and local warehousing for Purolite's extensive ion exchange resin product line.

Contact details are:

Purolite México SRL de CV :
Calle Circuito Centro Comercial, 8 – 4A,
Coll. Ciudad Satelite,
CP 53100 Naucalpan de Juarez, Estado de México, México
Telephone: +52 (55) 4168-8857

Nemias Florencio Junior, Country Manager:
E-mail: nemias@purolite.com.mx
Cell phone: +52 (44) 55 1295-6255

Ana Ibarra, Administrative Supervisor:
E-mail: purolite@purolite.com.mx

“Despite the current economic climate, we are expanding our operations in Mexico to continue the phenomenal growth we have experienced in Latin America over the last 5 years. Nemias has worked within our Latin America sales organization for several years. His proven sales and technical ability make him an ideal candidate for the Country Manager role”, said Jacob Brodie, Vice President, Purolite. “Nemias will report to our Latin America Regional Director, Mr. Fabio Sousa, who is based in our Brazilian office.

###

Purolite Corporation was founded in 1981 and is a leading manufacturer and developer of ion exchange, catalyst, absorbent and specialty resins and is the only company to focus exclusively on this market. Headquartered in Bala Cynwyd, PA, the company has ISO 9000:2001 certified manufacturing and R&D facilities sites in North America, Europe and Asia, and sales offices in more than 30 countries. Purolite's dedicated central "Centre of Excellence" research and development facility is located in the United Kingdom and coordinates research in China, Romania, Russia, UK, and USA.
