PUROLITE PARTICIPATES IN BIOFUELS INTERNATIONAL EXPO AND  
CONFERENCE

***Biofuels production and purification is a key focus for Purolite  
Research and Development***

BALA CYNWYD, PA – May 22, 2008 – Purolite announced today participation in the upcoming Biofuels International Expo and Conference to be held in Rotterdam, Netherlands June –5<sup>th</sup>, 2008. Purolite’s booth will emphasis biodiesel purification using ion exchange based adsorbents to meet EN and ASTM specifications.

“Purolite R&D is working hard to develop technologies that will improve the quality and productivity of biodiesel plants”, said Mr.Gary Thundercliffe, Marketing Director for Purolite. “ Our presence at this exposition underlines our commitment to this market and provide us an opportunity to understand our customer needs”

###

Purolite Corporation was founded in 1981 and is a leading manufacturer of ion exchange, catalyst, absorbent and specialty resins and is the only company to focus exclusively on this market. Headquartered in Bala Cynwyd, PA, the company has ISO-9000:2001 certified sales offices in more than 30 countries as well as manufacturing and R&D facilities in the UK, USA, China and Romania. Purolite also has a dedicated central research and development facility in the United Kingdom.
